Hello, I'm Nikolai Yaroslavtsev. I bring extensive experience in developing SPAs using React, Redux Toolkit, and TypeScript, both independently and collaboratively. I've successfully contributed to diverse projects, implementing innovative methods for high-performing web applications. Open to relocation, I eagerly anticipate exploring your proposals and embracing new challenges in web development.

SKILLS

REACT / REDUX TOOLKIT
JAVASCRIPT / TYPESCRIPT
AXIOS / REST API
ANT / MATERIALI
REACT HOOKS
